Signature of the authorizing person:

For this declaration-authorization to be valid, it must be signed with an electronic certificate or submitted together with the original or a photocopy of the identification document (DNI/NIE/Passport) of the person granting authorization (owner).

☐ I have read and accept the privacy and data protection policy.

The data controller for the information provided is Benissa Town Council. The purpose is the management of waste collection, as well as the sending of personalized and ongoing information to the data subject regarding the waste collection service. The legal basis is the performance of a contract (Art. 6.1(b) GDPR), as well as the user's express consent to receive information (Art. 6.1(a) GDPR). The data will be disclosed to BENISSA IMPULS, S.A. for the management of waste collection, as well as to the company responsible for maintaining the software through which the waste collection service is managed, both of which are included in the agreement signed with the Town Council, and also to any company that they may contract for carrying out certain service tasks, and to public authorities in the exercise of their powers of collection.

All data subjects may access their data, request its rectification or erasure, and request restriction of processing or data portability through the forms available at this entity's electronic office or by sending a written request by post. For more details on the data protection policy: <https://benissa.sedelectronica.es/privacy.1.1>
